RE: FOIA 19-00136-DD

Dear Mr. Evers:

This letter is the final response to your March 8, 2019, request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested:

“All email communications (including email messages, email attachments, and calendar invitations) between the custodians listed below and anyone with an email address ending in .com/ .net/ .org/ .edu/ .mail that contains any of the following key terms:
"Marshall Plan", IP3, "International Peace Power & Prosperity", Barrack, "Iron Bridge", Ironbridge, ACU, "Colony Northstar", "Colony Capital", 123
American Oversight requests that NNSA search the files of the following custodians for records responsive to this request:

- * The Under Secretary for Nuclear Security/the Administrator for Nuclear Security, Lisa E. Gordon-Hagerty;
- * Chief of Staff and Associate Principal Deputy Administrator William (Ike) White;
- * Chief and Associate Administrator for Defense Nuclear Security Jeffrey R. Johnson;
- * Deputy Administrator for Defense Nuclear Nonproliferation Brent K. Park.

Please provide all responsive records from January 20, 2017 through the date the search is conducted. We seek records of any kind, including electronic records, audiotapes, video tapes, and photographs, as well as letters, emails, facsimiles, telephone conversations or discussions.”

Your request was initially sent to the Department of Energy Headquarters Office (DOE HQ) for processing. DOE HQ transferred your request to this office and it was received on March 11, 2019.

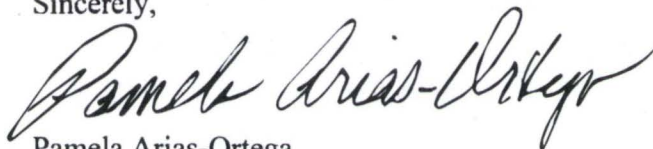

We contacted the FOIA POC for the NNSA Office of Policy about your request. The Office of Policy searched and did not locate records responsive to your request. The Office of Policy asked the Office of Information Management to search for records. The Office of Information management searched the emails of Lisa Gordon-Hagerty, William (Ike) White, Brent K. Park, and Jeffrey R. Johnson, for all records of any kind, including electronic records, audiotapes, video tapes and photographs, as well as letters, emails, facsimiles, telephone conversations or discussions as specified in your request for the period between January 20, 2017 to April 3, 2019 (date search was conducted) using keywords and variations of keywords as stated in the request. The thorough search of these records has located one (1) record responsive to your request.

The attached email from Ayman Khalil (director@acsis.org) dated October 23, 2018 to William "Ike" White is fully releasable and is provided in its entirety.

There are no charges to you for processing your FOIA request.

If you have questions about the processing of this request, please contact Donna Del Rio by e-mail at donna.delrio@nnsa.doe.gov or write to the address at the top of the first page. Please reference Control Number FOIA 19-00136-DD.

Sincerely,

A handwritten signature in black ink, reading "Pamela Arias-Ortega". The signature is fluid and cursive, with the first name "Pamela" being the most prominent.

Pamela Arias-Ortega
Authorizing and Denying Official

Viars, Joy (NNSA)

Subject: [EXTERNAL] Update from Amman

Dear Captain Osborn,

Hope you are keeping well.

This is a quick update on the Amman Security Colloquium:

1- As you know the proposed speech is around 12-15 minutes. We have drafted a few talking points for Madam Gordon-Hagerty, the ideas drafted below are directly related to DOE and NNSA mandate and will not be addresses by other speakers, namely:

- US views on the expanding uses of nuclear energy (peaceful applications) in the Middle East
- Revisiting the 123 Agreement, does it contradict with the right of states to enrich (as stipulated by NPT)
- Discussing assurances of nuclear fuel supply, possibly through regional coordination, possibly via nuclear fuel banks, or by presenting any other scenarios ... etc
- Nuclear Security and Nuclear Non Proliferation; Do they Contradict or Complement each other (many argue that the growth of nuclear security comes at the expense of nuclear non proliferation)
- The US sponsored series of Nuclear Security Summit, could it be reinvigorated again. Your views on that process and on the fate of NSCG

2- We would greatly appreciate providing us with the text of Madam Gordon-Hagerty speech. We need to circulate this widely to media outlets in conjunction with her speech

3- Our media unit is organizing a short TV interview on November 7, 2018 (following Madam Gordon-Hagerty). This would be around 30 minutes long,

it will take place at the University of Jordan (next to conference auditorium)

Look forward for your feedback.

PS Kindly confirm receipt

Ayman
